

Week 10: 21 June 2023

Principal Update

Dear families,

As my time at Alawa Primary School comes to a close, I wanted to take a moment to express my deepest gratitude for the opportunity to work as Assistant Principal in Term 1 and Principal in Term 2. It has been an incredible privilege to work with such a dedicated and talented group of students, teachers, staff, and parents. Your warm welcome and support have made my experience truly remarkable.

During my time here, I have witnessed firsthand the incredible commitment to excellence at every aspect of this school. From the enthusiasm of our students in the classroom to the tireless efforts of our teachers and staff, it is evident that Alawa Primary School is a place where passion for learning thrives. Together, we have celebrated achievements, overcome challenges, and created a nurturing environment where students flourish.

I would like to extend my heartfelt thanks to the Alawa Primary School community for your collaboration, trust, and dedication to the success of our students. Your involvement, whether through volunteering, participating in school events, or supporting your child's education at home, is invaluable and makes a significant difference in the lives of our students.

As I move on to new opportunities, I will cherish the memories and friendships forged at Alawa Primary School.

Bianca Hyke [Acting Principal]

Assistant Principal Update

Welcome to week 10!

I would like to say thankyou and goodbye to Bianca Hyke. Bianca stepped into my role while I was on long service leave and then into the Principal role while Sandy was away. Bianca has done an excellent job here at Alawa and has certainly become part of our great team. She has built wonderful connections with students, staff as well as families and we are going to miss her. Good luck in your new role Bianca. We will miss you!

I would also like to acknowledge the hard work from our wonderful teachers here at Alawa. It has been a very busy last few weeks with the completion of reports. All our educators have continued to work hard to ensure our students continue to thrive in such a positive learning community. Our teachers should enjoy a well-earned break.

Goodbye to Terri-Lee Smedley on her new endeavors in Melbourne and all the best to Miss Sarah Hunter who will be getting married during the holidays. We can't wait to see all the pictures.

The holidays are almost here! There are so many ideas to keep your children entertained these school holidays. Remember, to make time to rest, relax and rejuvenate, have fun together and be ready to welcome back Ms Cartwright in Term 3.

Gen Donohue [Assistant Principal]

Preschool news

The Preschool children had lots of fun taking part in the Alawa School Sports Day. We were the first to run for the day on the oval and had the whole school as our Audience. Some children were happier to watch as their friends raced 50 metres as fast as they could. We got to watch all the running races and then returned to the preschool yard for some exclusive preschool games. We started with the egg and spoon race which saw some impressive focus on the faces of the competitors. We then attempted the three-legged race in pairs. All the children were good sports and in this game it was pretty clear that slow and steady wins the race. The last game of the preschool activities was musical chairs, and everyone took part and had fun. It may have only been a sports 'morning' for us but it was jam packed with action, fun and adventure.

Have a great week.

Angela Henshke, Emma churchman, Kelly Crawford and Flor Hodgson [Preschool Team]

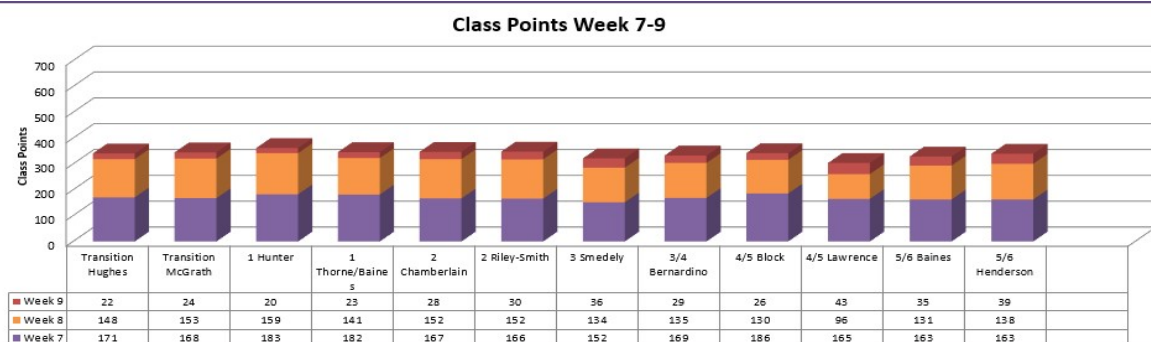

Class Points

Muster is held at Alawa after each recess and lunch break - this gives us an opportunity for everyone to settle from playtime, share any celebrations and work on consistency of messages and expectations.

Each week we allocate class points during Muster time recognizing those students who were ready and waiting to go back to class calmly and quietly after break times. The winning class from each 3 weeks will receive ice-blocks from Mrs. Hyke and get to choose 3 songs that will play before our bells for the following 3 weeks.

Farm news

Larrakia Season: **Damibila** - (Barramundi and bush fruit time)

Why do ducks hate reading directions? They prefer to wing it! Well not Farmer Bob and I, we have very carefully set up the incubator for fluffy ducklings! The Duck eggs should be hatching in the last week of holidays/ first week back of term.

Celebrations on the Farm!

Feels like just yesterday we were kicking off our Farm Lessons for 2023 and giving out class points with weekly trophies, and in a blink of an eye, it will all be over for Semester 1!

Farmer Bob and I were pleased to present the Farm Trophy and Farm Party to Ms Hughes Class! They showed amazing team-work and put in a great effort all year to care for the animals and the garden. To show our appreciation, the students enjoyed the fresh air with a petting zoo, garden scavenger hunt, party hat decorating and freshly popped popcorn! Ms Hughes even joined us which was extra special!

Stay safe over the holidays and see you all next term- may the best class win for semester 2!

Mrs Cleary and Farmer Bob [Farm team]

Year 5/6 Camp

Last week on the 14th of June the year 5/6s went to Batchelor Outdoor Education Centre for their school camp. They arrived at 10:30 am where they started with their first activities. The activities that they did were rock climbing archery, wet and wild, mountain bikes, radio rogaïne, team challenges and catapults. All students were well-behaved and seemed to enjoy their time at camp.

Ameliah- "Going to camp was a fun educational experience! My favourite activity was archery because it was fun shooting arrows at a target."

Rosie- "At camp, I really enjoyed spending time in my cabins with my friends. I also enjoyed the activities especially rock climbing as the thrill of going so high and abseiling down was fun!"

Jed- "At camp, I really enjoyed doing rock climbing because it was challenging and heaps of fun at the same time. It took all of my strength to be able to climb the rock wall that had an angle."

Zanny- "I really liked building the giant catapult because we got to shoot it at the enemy team and try to knock down as many crates as possible."

Eileen- "Rock climbing was really challenging because it was really hard to get to the top of the wall."
