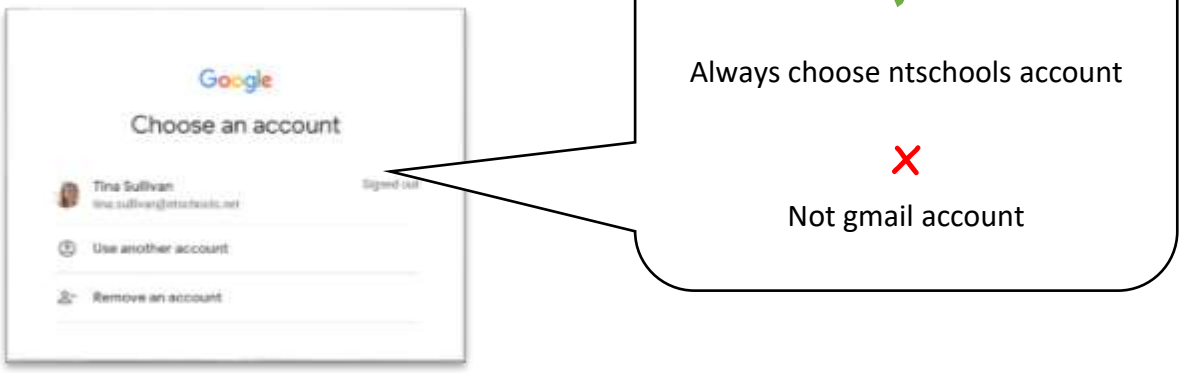
Using Google Classroom at School -On a Laptop

Go to https://classroom.google.com

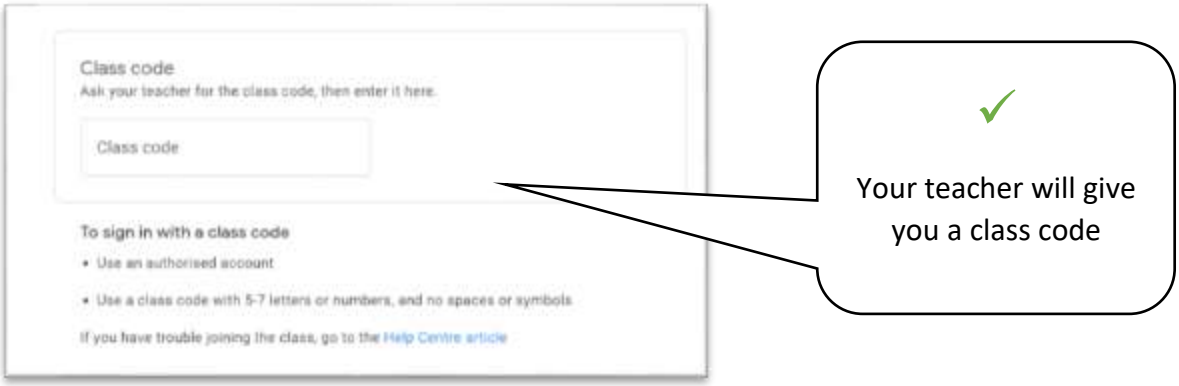
You will then need to enter your ntschools log on if this is the first time you have logged on

Or select your account



If you need to join a class, select the plus symbol on the right hand side

Your teacher will give you a class code to enter in for the google classroom you can access

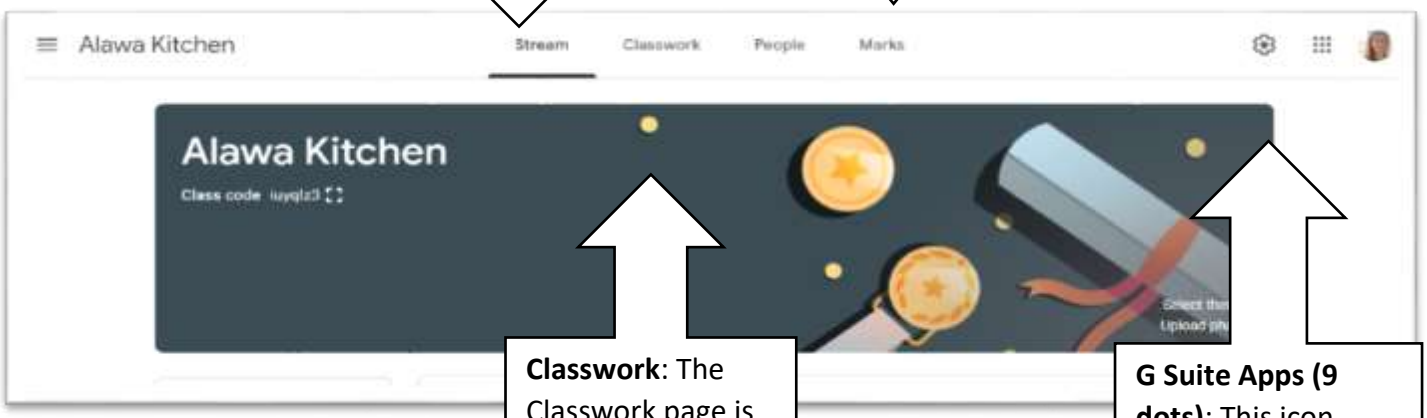


How to find your way around Google Classroom

Main Menu (3 lines): Access all of your classes and settings.

Stream: The stream is where you will find announcements from your teacher, and where you can post and comment

People: The People page is where you can email your teacher and classmates.



Classwork: The Classwork page is where you will find your assignments and class materials.

G Suite Apps (9 dots): This icon represents your G Suite apps. You can click on this icon to open
Apps such as slides and docs
