

Casuarina Education Precinct

Darwin, Northern Territory

Our vision

To build a collaborative professional learning community that promotes excellence in public education through the stages of schooling.

Our values

Guide the decisions and behaviours of all members of our educational community.

Inclusion: Our precinct is built upon an 'inclusive value system' and is committed to the learning and development of everyone in our school community.

Excellence: We strive for the highest achievement in all aspects of education, community action, work and life-long learning.

Belonging: We value the development of relationships that build a sense of ownership and belonging to our precinct and to our schools for the enhancement of successful learning.

Pride: We recognise and value the self-esteem and pride resulting from individual and group achievement earned by striving for betterment.

Guiding Actions

1. We contribute to and support the provision of a quality, seamless public system of education.
2. We actively engage in professional collaboration.
3. We hold high expectations for ourselves, our students, staff, schools and members of our school.

Goal 1

To build a collegial culture between schools and develop an identity for the Casuarina Education Precinct (CEP).

Strategies

- Regularly revisit the needs and interests of member schools.
- Develop and implement a one page plan for the alignment of direction.
- Principals or their delegate commit to regular CEP meetings.
- Develop an identity of the CEP in the broader community through branding and publications
- Develop processes for communicating and informing strategic direction and the work of the system and CEP schools

Goal 2

To work collaboratively to grow school leadership capacity and improve student outcomes through sharing practice and programs.

Strategies

- Develop a common approach to data collection and tracking and establish CEP benchmarks.
- Develop procedures for transfer of student data between schools
- Build teacher, leader and school capacity through sharing knowledge programs, resources and practice.
- Develop procedures for mentoring and work shadowing across schools.

Goal 3

To develop opportunities for community wide activities.

Strategies

- Promote the precinct at public festivals and events and in the schools of the precinct
- Organise community wide activities to develop a sense of pride and belonging to the precinct.

Casuarina Education Precinct includes: Alawa Primary School, Casuarina Senior College, Dripstone Middle School, Henbury School, Leanyer Primary School, Nemarluk School, Nakara Primary School, Wagaman Primary School and Wanguri Primary School. *excellence in public education*
